Still Life

Katherine Brickman

Lamington Drive Gallery is pleased to present *Still Life* the debut solo exhibition of Katherine Brickman (Greedy Hen).

Still Life showcases Brickman's sometimes moody, always playful collages inspired by the narrative of an empty scene. A meditation on the unusual beauty in every day clutter, imagined landscapes, playful surrealist humour, and the joy of breakfast.

Katherine Brickman is an Australian artist who lives and works in Sydney. She has participated in group exhibitions in Melbourne, Sydney, Brisbane, Freemantle, and Christchurch. She is best known for her illustration work under the pen name Greedy Hen. She has created illustrations for Apple, The Washington Post, The Good Weekend Magazine, and has been a guest speaker at Art Month and Pecha Kucha.
